Profile

- Business and Computer Science student who works comfortably across technical and business problems, with a habit of taking on unfamiliar systems and turning them into clear, usable output.
- Strong analytical and problem-solving skills from coursework and hands-on projects, breaking ambiguous problems into structured steps and backing decisions with evidence.
- Clear communicator who gathers requirements from stakeholders, translates between technical and non-technical teams, and documents assumptions, risks, and next steps so work can be trusted and reused.
- Organized and self-directed, with leadership experience running initiatives end to end and a quick grasp of new tools and systems (Excel, SQL, Salesforce, Python).

Education

Bachelor of Commerce Honours Business Administration and Computer Science Co-op Aug 2024 - May 2028
University of Windsor • Windsor, ON

- Relevant coursework: Project Management, Database Management Systems, Business Communications, Financial Accounting, Marketing, Business Analytics, Data Structures & Algorithms, Software Engineering.

Professional Experience

Data & Reporting Analyst (Co-op)

May 2026 – Sep 2026

Office of the AVP External Relations • University of Windsor • Windsor, ON

- Built field-level data dictionaries across five enterprise systems (Raiser's Edge, Salesforce, Agility PR Solutions, Constant Contact, PoliTraQ) on a standardized Excel schema with [Confirmed]/[Inferred] confidence flags, covering 114+ Raiser's Edge fields including Target Analytics predictive scores and custom attributes.
- Traced the Cn_ID field as the critical join key linking Constant Contact to Raiser's Edge, surfaced duplicate field pairs across Salesforce Contact and Account exports, and flagged nested PoliTraQ objects needing expansion before analysis.
- Designed a two-layer comparison framework, feeding per-system data profiles into a process-centric matrix to support early Salesforce and Raiser's Edge integration planning.
- Interviewed departmental heads across Advancement and Alumni Relations, Public Affairs and Communications, and Institutional Events to validate findings and document data ownership and entry processes.
- Mapped full data lifecycles, from entry to maintenance to export, as swimlane diagrams in draw.io for Agility PR Solutions and Constant Contact.

Store Associate

Sep 2025 – Dec 2025

Dollarama • Windsor, ON

- Processed high-volume transactions, maintained cash drawer, and resolved basic POS issues.
- Resolved customer issues and kept operations moving during peak hours
- Welcomed customers warmly to ensure an excellent guest experience.

Extracurricular/Volunteer Activities

Strategy Lead (BSCS)

Jan 2026 - Present

Black Students in Computer Science (BSCS) • University of Windsor • Windsor, ON

- Led strategic planning for club initiatives, translating goals into clear timelines, deliverables, and owners.
- Produced execution docs for the exec team (event proposals, risk assessments, agendas/minutes, and branding briefs).

Field Data Volunteer

Jun 2026

RAEON, Great Lakes Institute for Environmental Research · University of Windsor

- Sampled water quality data during fieldwork for RAEON's aquatic ecosystem monitoring at the Great Lakes Institute for Environmental Research.
- Followed standardized field collection procedures to capture consistent, usable readings for a real-time environmental observation network.

Session Support Volunteer

May 2026

NEX-GEN 2026 Conference · Windsor, ON

- Provided session support, coordinating logistics on the ground to keep sessions running across a multi-day professional conference.
- Produced a nine-post LinkedIn series on the event's themes and speakers, and built professional connections across the tech and business community.

Survey Administrator Volunteer

Jun 2026

University-Wide Convocation · University of Windsor · Windsor, ON

- Administered surveys to graduating students and attendees at a university-wide convocation, capturing responses in a high-volume live event.
- Coordinated with staff across multiple departments and solved issues in real time, building communication through direct interaction with students, faculty, and staff.

Projects

Subway “Eat Fresh Refresh”

Oct 2025 - Nov 2025

Marketing Research Analysis • Windsor, ON

- Established a Chapter-7 research framework and mapped findings to actions for clear recommendations.
- Defined 3 KPIs (taste/quality lift, consideration, intent) and scoped sample sizes to detect $\pm 5\%$ changes with 95% confidence.

“Perspire”

Sep 2024 - Dec 2024

Collaborative Study Platform • Windsor, ON

- Scoped MVP, set repo conventions, and cut rework $\sim 30\%$ with a simple release checklist.
- Wrote CONTRIBUTING.md and onboarding notes took ramp-up from ~ 3 days to ~ 1 day (-67%) for new collaborators.

Professional Development

Job Shadow

Oct 2025

Research Security, Innovation & Partnerships • Peterborough, ON

- Coordinated partnership intake through monitoring: due diligence, risk review, MOU coordination, and stakeholder tracking.
- Built a one-page risk register and partnership pipeline; proposed KPIs for a simple dashboard.
